**Expectant Parents' Complementary
Therapies Consultancy**

Denise Tiran MSc RM RGN ADM PGCEA

Denise is a practising midwife and an international authority on the safety of complementary therapies in pregnancy and childbirth. She is also the founder and Educational Director of Expectancy. In her clinical practice, Denise uses reflex zone therapy (reflexology), aromatherapy, massage, herbs, homeopathic and Bach flower remedies, moxibustion for breech presentation and other complementary therapies in her practice to provide an integrated approach, combined with normal midwifery care and advice. Denise specialises in treating expectant mothers suffering “morning sickness” and has a 70% success rate in relieving symptoms. Denise is insured with the Royal College of Midwives and the Federation of Antenatal Educators (FEDANT), membership number 11724.

Services provided include:

- As Denise is frequently away teaching for Expectancy, she is only able to provide a limited “morning sickness” telephone consultancy service, by appointment

Geographical area

Maidstone Birth Centre clinic only
